**CACFP Meal Pattern Minimum Serving Size for children ages 13 -18: Must be served minimum or larger portions specified for children 6 – 12 years of age.

***NSLP Meal Pattern: Refer to the Food Buying Guide Manual for Child Nutrition Programs for additional guidance on food components and serving sizes.

Sections 107 and 108 of Public Law 105-336, the Child Nutrition Reauthorization Act of 1998, enhance nutrition benefits for all children with a special emphasis on older children by authorizing reimbursement for suppers served to children through age 18. However, if a child turns 19 during the school year, he/she may be claimed for the remainder of the year.

This amendment to the approved NSLP allows each School Food Authority (SFA) to identify and agree to follow the standard United States Department of Agriculture (USDA) procedures for the serving and claiming At-Risk Supper meals. To qualify, a SFA must operate the NSLP and the SFA must sponsor or operate the At-Risk Supper Meals Program.

- ❖ During the last 7 years, the institution and the individuals responsible for the food service have not been:
 - ❖ Declared ineligible to participate in any other publicly funded program by reason of violating that programs requirements or provide documentation that it was later reinstated or determined eligible for the program period. 7CFR 226.6(b)(1)(xii)
 - ❖ Convicted of any activity that indicated a lack of business integrity. 7CFR 226.6(b)(1)(xiv)
- ❖ 7 CFR 226.6(b)(1) requires that all new institution, including SFA's, complete this certification letter in order to participate in CACFP.
- ❖ Site review by SFA/sponsor must occur and be documented twice (2) a year. **First review must be done within first four weeks of operation.**
- ❖ Suppers served to children will be in accordance with the federal regulation.
- ❖ Only those programs, which occur after the NSLP is in session, will be allowed to claim for reimbursement. Schools participating only in the Special Milk Program are **not** eligible.
- ❖ For any SFA/sponsor that would like to claim for supper meals for weekends or holidays, must get prior approval from the State Agency.
- ❖ Afterschool programs that include supervised athletic activity may participate as long as they are "open to all" and do not limit membership for reasons other than space, security, or licensing requirements. For example, an afterschool police athletic league program that uses sports and recreational activities to provide constructive opportunities for community youth could be approved to participate. [7CFR 226.17a(b)].
- ❖ The SFA/sponsor is not required to maintain production records for this program.

The SFA/sponsor, in accordance and compliance with the applicable Regulations and subsequent amendments, thereto agrees to:

Accept final financial and administrative responsibility for this amendment and will provide, upon request, the back up information for all claims for reimbursement for this amendment.
